

INSTITUTE OF LEATHER INDUSTRY IN LODZ

2nd International Conference – Science for Business: Innovation for textiles, polymers and leather

21st October 2016 Lodz, Poland

Conference Programme

- G. Kovalenko, E. Bokova, M. Pawłowa. **Development of synthetic membranes for clothes and shoes**, Moscow State University of Design and Technology, Moscow, Russian Federation, Kazimierz Pulaski University of Technology and Humanities in Radom, Poland
- M. Matusiak. **Innovative woven fabrics from soybean protein fibres**, Lodz University of Technology, Faculty of Material Technologies and Textile Design, Institute of Architecture of Textiles, Lodz, Poland
- Y. Voznyak, J. Morawiec, A. Gałęski. **Formation of strong and ductile polylactide (PLA) by introducing poly(butylene succinate) (PBS) nanofibrillar inclusions generated in situ during extrusion**, Donetsk National University of Economics and Trade named, M. Tugan-Baranovsky, Krivoy Rog, Ukraine, Centre of Molecular and Macromolecular Studies, Polish Academy of Sciences, Lodz, Poland
- R. Kozłowski, M. Muzyczek, B. Mieleniak, **Behaviour of leather in fire conditions and their flame retardancy**, Institute of Natural Fibres and Medicinal Plants, Poznan, Poland
- O. Kozar, K. Ławińska. **Forming of a dermis structure using mineral compositions based on zeolite and montmorillonite for shoes leather**. Mukachevo State University, Transcarpathia, Mukachevo, Ukraine, Institute of Leather Industry, Lodz, Poland
- A. Mafodda. **Technical textiles as an evolution of polymer treatment technologies**. Director of ICE Warsaw, Italian Embassy
- Ł. Frącczak, M. Matusiak. **Application of 3D laser scanning in the measurement of the topography of seersucker fabrics**. Lodz University of Technology, Faculty of Mechanical Engineering, Institute of Machine Tools and Production Engineering, Lodz, Poland, Lodz University of Technology, Faculty of Material Technologies and Textile Design, Institute of Architecture of Textiles, Lodz, Poland
- N. Popovych, M. Bednarchuk. **Optimization of the system “price – quality” in shoes**. Nonfood Commodity Sciences Department, Lviv University of Trade and Economics, Lviv, Ukraine
- Z. Czaplicki, S. Strzelecki, B. Wozniak. **Fibrilising cereal straw as new textile raw material**. Institute of Natural Fibres and Medicinal Plants, Poznan, Poland, Research Development Centre of Textile Machinery, POLAMATEXCENARO, Lodz, Poland, Institute of Leather Industry, Lodz, Poland
- R. Kocourek. **Green technologies and solutions implementing a policy of caring for the environment in the footwear industry**. Czech shoe and leather association, Zlín, Czech Republic
- A. Bogacki. **The Institute in the Production Process. A burden or an asset? Examples from Germany, the UK and New Zealand**. LEDERZENTRUM GmbH, Rosdorf, Germany
- A. Witkowski. **Shim-Pol as a leading provider of solutions for analytical and testing laboratories in Poland**. SHIM-POL A.M. Borzymowski, Poland
- B. Woźniak **Summary of the conference and framework to the participants**. Director of Institute of Leather Industry
